Mario ([00:15](#))

Yes, I'm okay with that.

Toni ([00:17](#))

Okay. Thank you. So now we'll begin with a quick five second testing, which begins now.

Toni ([00:29](#))

Okay. So, first question. What do you remember from the website?

Mario ([00:35](#))

It was green. In the beginning there was something like video playing, and I saw a contact form at the end.

Toni ([00:45](#))

Okay. Any other shapes or something?

Mario ([00:49](#))

Yeah, I saw something like disco or something. I'm not sure what it is.

Toni ([00:54](#))

Okay. What do you think this page was about?

Mario ([01:00](#))

Maybe about a musician.

Toni ([01:04](#))

Okay, what's your first impressions about the site?

Mario ([01:08](#))

It looks clean. It's green and I like that.

Toni ([01:15](#))

Okay. So now we will proceed to the task based testing. Please open up the website.

Toni ([01:25](#))

Okay, now go to the top.

Mario ([01:26](#))

Yes.

Toni ([01:28](#))

Okay. Now imagine that you want to collaborate with Maaïke and you want to contact her.

Mario ([01:35](#))

I'm going to just go to the contact form I just saw.

Toni ([01:40](#))

Okay.

Mario ([01:41](#))

Should I do it?

Toni ([01:42](#))

Yeah.

Mario ([02:13](#))

Okay.

Toni ([02:14](#))

Okay, thank you. So now, the second thing. Imagine that you are a fan and you want to see her live.

Mario ([02:21](#))

I see an icon for Instagram, so I'm going to click that. Yeah. I just found a link with events so I can see her future and paste events, yeah.

Toni ([02:52](#))

Okay. Thank you. Now you have a part give us feedback. For example, let's start with the first page.

Mario ([03:04](#))

From what, sorry?

Toni ([03:05](#))

From the first page, go to the top. What do you think about it?

Mario ([03:10](#))

It looks clean. I like the animated background and yeah, the font as well is nice.

Toni ([03:19](#))

Okay, now we go to the next one. What do I think about this one?

Mario ([03:25](#))

I think it's a bit too dark, because there is a very big contrast between the navigation bar and the actual page. But overall, like the highlighting of the text. It looks nice.

Toni ([03:40](#))

Okay, now go to the next one. What do you think about it?

Mario ([03:49](#))

Okay, can I? Okay, it has an animation. Yes, it has one. It looks very nice. I like that. You can actually play her songs here. Yeah, that's it. It looks nice.

Toni ([04:05](#))

Okay. Go to the next one. Same thing.

Mario ([04:12](#))

Oh, This is the event page. Yeah. I mean, it's clean, and, yeah, that's all I can say about it. I think this page needs some more color, because everything is green.

Toni ([04:34](#))

For example?

Mario ([04:38](#))

I don't know, maybe the flower can be changed.

Toni ([04:43](#))

Okay. Is that it?

Mario ([04:46](#))

Yeah. Overall, I think it's clean as well.

Toni ([04:48](#))

Okay, now go to the final one.

Mario ([04:57](#))

It has a very nice animation, but I think it's a bit slow and yeah, the contact form is easy to use, let's say.

Toni ([05:10](#))

Okay. So just do Quicken up the animation.

Mario ([05:15](#))

Yeah, I think so.

Toni ([05:16](#))

Okay. Thank you. Now, about the conclusion part. What brought your attention?

Mario ([05:23](#))

Probably the player thing, because it was very nice seeing that you can actually play her songs on the

website.

Toni ([05:32](#))

Okay. What things can be added or removed, in your opinion?

Mario ([05:41](#))

The things I said. Nothing more than that.

Toni ([05:45](#))

Okay. Do you think this website is useful and user-friendly?

Mario ([05:50](#))

Yeah, it's very easy to navigate and it has everything, I think.

Toni ([05:58](#))

Okay. Is that it?

Mario ([06:00](#))

Yup.

Toni ([06:01](#))

Okay. Thank you for participating. Bye.
